

BOURNVILLE INFANT SCHOOL

21st July 2017

Dear Reception and Year 1 Parents,

We are writing to let you know that the cost for milk/juice for Autumn Term will be £12.96.

This is on your child's ParentPay account as two separate payment items so that we are able to decipher who is having milk or juice. Therefore, **please only pay for one or the other**. We ask that you pay before midnight on Friday 1st September 2017 as we will take receipt of payment as confirmation that your child is to be provided with either milk or juice. Any payments received after this time may result in your child not receiving their milk or juice choice until 24/48 hours- after payment is received.

Children in receipt of Pupil Premium will be offered milk or juice free of charge. Children under the age of 5 are entitled to free school milk however, juice is subject to payment. **If you would like your child to have milk, you must let the office know so we can include it in the order.**

Unfortunately as this payment item is universally assigned to all pupils we are unable to delete it from individual pupil's accounts. If this payment item is not applicable to you, please ignore it and it will drop off your account at the end of each half term.

If you have any queries, please contact the school office on 0121 464 8777.

Thank you.
