Dear Parents,

School Photographs

Individual and sibling photographs are to be taken on Thursday 2nd November 2017. All Infant school pupils will have their individual photo taken and they will also have a photograph taken with their Infant School sibling.

We would like to advise you that there is a change to how and when photographs to include Junior siblings will be taken. If you would like your Infant School child to have their photo taken with their Junior School sibling, please note the following:

There will be a session after school on Thursday 2nd November from 3.30 – 4.15 p.m. for siblings across both schools to have their photographs taken together. Photographic studios will be set up in both the Junior and the Infant school halls. Photographs will be taken on a first come first served basis.

It will be your responsibility to take your children to have their photographs taken.

If you would like a photograph involving both Infant and Junior school children, please complete the slip below and return to the school office confirming which school's photographic studio you will be using.

Yours sincerely,

Mrs E Pemble
Head Teacher
