20th November 2017

Dear Parents and Carers

This half term the school has been working hard to improve dinner times both in the playground and the dining hall. From this week we will be introducing a range of exciting new activities to keep the children engaged, safe and most importantly having fun at lunch time.

The playground will be divided up into different zones where the children can take part in various activities. One of these new zones is called the "chill out zone" where children can take part in quiet activities. These will include:

- Arts & craft
- Reading books
- Dressing up costumes
- Dolls
- Cars
- Jigsaws etc.

We have already ordered a lot of new resources but we would like to add more. Do you have any old toys (in relatively good condition) that you would be willing to donate to the school to enhance our new "chill out zone"?

If you could bring any of the above suggested items to school we would be extremely grateful.

Many thanks for your continued support.

Kathryn Tilbury, Kate Bailey & Chris Coley
