October 2017

Dear Parents of Year 2 Children

WALK TO SCHOOL BREAKFAST

On Wednesday 22nd November we are holding our Walk to School Breakfast morning. On this day we would like to invite Year 2 children to walk to school and in return they can arrive from 8:00am and enjoy a breakfast of toast, cereal and juice, take part in some activities.

Please do not feel you have to walk all the way, even part of the way is a healthy choice. You can choose to use one of our park and stride facilities and we hope to see lots of children for breakfast!

Please indicate below whether your child will be joining us to enable us to facilitate and cater for those who will be here, and return the slip below to school by Wednesday 15th November.
