Dear Parents,

Please find attached a letter from Birmingham Local Authority regarding a consultation to amalgamate our two schools into one all-through primary school.

As a Governing Board, we have spent a great deal of time and energy considering the best way forward to ensure continued success. We believe that an amalgamation will strengthen provision for pupils and the wider community, uphold George Cadbury's original vision and secure the long-term future of the schools.

Please take the time to read the draft proposal document and make comments via the Be Heard website (link in Local Authority letter) or by writing to the address on the attached letter. If you do not have internet access, please request a hard copy of the proposal document from the school office.

The Governing Board welcomes conversations with parents regarding the proposal and intends to hold parents' drop-in sessions, with representatives from Birmingham Local Authority present. Please indicate below whether you would be interested in attending a meeting to discuss any questions you might have, and what time would be most suitable.

**Please return slip to the school office.**

Kind regards,

Anne Cull  
Chair of the Governing Board
