Dear Parent/ Carer,

At Bournville Infant School & Junior School, safeguarding and welfare of pupils is our highest priority.

We have been made aware of an incident which took place in the community involving one of our pupils whilst they were on their way to school this morning.

The pupil was beckoned to a silver car and asked their age by an older man. The child responded that they were unable to answer the question and came straight into school. They are safe and the incident has been reported to the police.

As you know we take your children's safety very seriously and our PSHE curriculum covers aspects of how to keep safe in various situations. However, we wanted to make you aware of what happened so that you can remind your children how to keep safe outside of school, particularly if they travel to and from school alone.

For Year 6 pupils who walk home alone, please remind them that if they are worried about anything they can always come straight back to school, and we will look after them and contact parents.

Thank you for your continued support.

Kind regards,

Susan Barratt
