News Letter - Number 34

22nd June 2018

Dear Parents,

The weather forecast for next week is hot and sunny- remember to send your child to school with labelled water bottles, sun hats and glasses, with sun cream applied before school please. We do adjust play times and lunch times in the event of very hot weather so that the children do not spend the full hour outside.

On Thursday, Owls performed their Pirate Assembly for us. They worked really hard to learn their lines and confidently shared lots of facts with us about the lives of pirates. Thank you to Mrs Bridgeman and Mrs Barker for preparing the children so well and well done to the children - we are proud of how brilliantly you performed.

Today we celebrated Eid Day as a school. We started the day with an assembly by Mrs Gohil which told the children all about Eid and why it is celebrated by Muslims. The children have taken part in a whole host of exciting learning activities. Thank you to Mrs Gohil for organising the day.

On Monday, the Year One children took part in an exciting Enterprise Day, 'Moon Base' The children had to collaborate in teams to solve a series of challenges, the end goal being to create a happy and safe society on a new planet called Utopia. The children worked hard to show a range of skill such as leadership, problem solving and staying positive if problems arose. It was a fantastic day, the children really got absorbed in the day and the end result was fantastic. We definitely have some budding entrepreneurs in Year One!

Enjoy the sunshine this weekend

Mrs Williams

## Safeguarding Update

Please remember that adults and children should not ride their bikes and scooters through the playground before and after school. There have been several accidents where children have either fallen off their bikes or knocked someone over during the busy drop off and collection times. Please walk your bike or scooter through all playgrounds so we can keep children and adults safe.

Year 1 Parents

There are only 6 girl places left for Edmond Hall. If you would like your child to attend, please pay your deposit on ParentPay as soon as possible.

There has been a report of head lice in Year 2 - please check your child's hair thoroughly.

Thank you!

On Tuesday, Mr Baptiste (Brass Teacher) came down from the Junior School with some of the musicians to play to the Year 2 children.

The children played their trombones, trumpets and horns and we were delighted to hear familiar tunes such as the James Bond theme and Michael Jackson songs.

On Friday, Mr Vaughan brought down more instrumentalists. This time we had a flautist, guitarist, keyboard player, oboes, clarinet and violinist. The children played confidently and the Year 2 children were excited to see the instruments they could possibly learn in the Junior School. Thank you to the children and their teachers for entertaining us.

This week we have said Happy Birthday to:

Callen - Butterflies  
Benjamin & Delilah - Owls  
Zuzanna - Swans  
Alice - Sycamore

HAPPY BIRTHDAY CHILDREN!

The children enjoying some lunchtime games this week
