

Reception Garden Party

Wednesday 18th July 2018

To celebrate the end of a fantastic first year in school we would like to invite you to our Garden Party on Wednesday 18th July at 2.00pm.

This will start in the Infant School hall where the children will sing songs and receive a certificate, followed by a picnic in the Reception front garden. There will be light refreshments as well as games to play, so bring some pennies to spend!

Fingers crossed for sunny weather and perhaps bring a blanket to enjoy our lovely Summer weather!

We are hoping to run a toy and book tombola. If you have any unwanted books or toys which are in good condition and would like to donate them, we would be very grateful. If you could bring them in to school by Tuesday 17th July. Any money raised will be used to maintain and develop the Reception Outdoor Learning Environment.

We look forward to seeing you on Wednesday and a big thank you from all of Reception for your support over the last year.

Thank you

The Reception Team
