Primary School Admissions Arrangements 2019

Closing date for applications: 15 January 2019

Information about schools includes the home to school distance (cut-off distance) of the last child admitted at the time of offer for entry in September 2016, 2017 and 2018 where applicable. It is not possible to predict cut-off distances for 2019. There is no guarantee that the same pattern will repeat in 2019, but all parents and carers should please consider all the information below carefully before expressing preferences for Reception class and Year 2-3 transfers.

Reception
- You must apply for a Reception place even if your child is attending a nursery at that school.
- Your child attending a nursery at a school does not give them priority for a place in reception class unless stated it is stated in their admissions arrangements, please see details below.
- Children attending a nursery are not classed as siblings for reception class unless stated it is stated in their admissions arrangements, please see details below.
- If you live in Birmingham you can still apply for a place in another Local Authority but this must be via the Birmingham online application. Ensure you check the admissions arrangements for non-Birmingham schools with that Local Authority just in case there are additional forms you are required to complete and return to the school in addition to completing your online application to Birmingham Local Authority.

Year 2-3
- You only need to apply for place in Year 3 if your child attends Year 2 at the linked Infant school, please see details below for all Birmingham schools.
- With a linked junior school if your child does not attend the linked infant school though you are welcome to apply, as children attending the infants have overall priority you are very unlikely to gain a place in the juniors.
- If you live in Birmingham and your child attends a non-Birmingham Infant school that is linked to separate (linked) junior school, you must make an online application to Birmingham for a place in Year 3. Ensure you check the admissions arrangements for non-Birmingham schools with that Local Authority just in case there are additional forms you are required to complete and return to the school in addition to completing your online application to Birmingham Local Authority.

General
- 1 mile = 1609 metres
All schools are day schools. There are no boarding schools.

In addition to this document please read our guide to finding a school and other important considerations before completing your online preference form.

Type: Voluntary Aided
Age Range: 4-11

The local authority will provide an in-year application form for parents to complete; these are also available from the school. You will also be required to complete an additional information form as above.

Oversubscription Criteria
The admissions process will consist of the following two key elements which will determine the offer of school places. Parents who have:

(a) Completed fully all sections of both the Local Authority and Al-Furqan’s application forms and provided all supporting documentary evidence as listed in the ‘notes’ to the School’s additional application form.

(b) Providing certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child’s ability to recite the ‘Shahada’ (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu’Llah) and explain its meaning (according to age, aptitude and ability) as a minimum requirement to establish their faith.

Any child with a statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.
Where applications for admissions exceed the number of places available, the following criteria (in descending order) shall apply:

a) Children of Islamic faith who are in the care of the Local Authority (looked after children) or were previously looked after or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) a certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child’s ability to recite the ‘Shahada’ (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu'Llah) and explain its meaning (according to age, aptitude and ability) will be required as a minimum requirement to establish their faith.

b) Children with siblings at Al-Furqan. The Local Authority ‘Sibling’ definition has been adopted. For all siblings of Islamic faith certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child’s ability to recite the ‘Shahada’ (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu'Llah) and explain its meaning (according to age, aptitude and ability) will be required as a minimum requirement to establish their faith.

c) Children of staff employed at Al-Furqan Primary School for two or more years or who will meet a skills shortage. For all children of staff of Islamic faith certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child’s ability to recite the ‘Shahada’ (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu'Llah) and explain its meaning (according to age, aptitude and ability) will be required as a minimum requirement to establish their faith.

d) For all other children of Islamic faith certified proof of evidence on letter headed paper from their local mosque or an Islamic organisation of the child’s ability to recite the ‘Shahada’ (Ashhadu Alla Ilaha Illa Allah Wa Ashhadu Anna Muhammadun rasulu'Llah) and explain its meaning (according to age, aptitude and ability) will be required as a minimum requirement to establish their faith.

e) All other children in the care of the Local Authority or were previously looked after.

f) All other children.

The criterion listed above reflects the admissions for the School and will be applied fairly and objectively in the offer of School places. In case of oversubscriptions, priority will be given to those children, at the time of application, residing closest to the School. The Local Authority’s ‘Distance’ definition has been adopted. The distance is measured from the school gates in Formans Road to the child’s home address. For those children who spend part
of the week with one carer and part with another the Local Authority’s ‘Shared Responsibility’ definition has been adopted.

The Interim Executive Board at Al-Hijrah School is currently consulting on a change of age range from an all-through school admitting 4-16 year olds to a primary school admitting 4-11 year olds. The initial consultation runs until 26 October 2018 and more information is available on the Al-Hijrah School website.

If this proposal is agreed, the school will move to a new site on Waverley Road, Small Heath and will convert to an academy. The Regional Schools Commissioner and Headteacher Board have determined that the academy sponsor will be Star Academies.

Al-Hijrah School is a voluntary aided Islamic school for boys and girls in the 4-16 age range. The Governing Body is the admissions authority for the school; priority will be given to children practising the Islamic faith.*

How to apply for Reception Class in September 2019

An additional Al-Hijrah supplementary information form and questionnaire MUST also be completed and returned to Al-Hijrah School by the closing date stated on the form if the applicant wishes to be considered against the religious oversubscription criterion. The Al-Hijrah supplementary information form can be obtained from the school.

How to make an in-year application
Applications made outside the normal admission round (in-year admissions) must be made directly to the school(s) concerned. You will also be required to complete a supplementary additional information form and questionnaire as above.

Oversubscription Criteria
a) Looked After children or previously looked after children practising the Islamic faith.
b) Children practising the Islamic faith with a brother or sister at the school who will still be in attendance at the time the sibling enters the school.

1. Using a Random Number Generator each applicant will be electronically allocated a number within each category.

2. Applicants will be randomly selected using an electronic system in order to decide which applicant should take priority in each category.

3. Any subsequent places offered from the waiting list will be offered using a fresh round of the random allocation process. This will include applications that have been accepted after the closing date.

The process will be supervised by a person that is independent of Al-Hijrah School. That person will check that each of the above stages is properly carried out.

a) Looked After Children and children who have been previously looked after
(pursuant to the Admissions Code).

b) Children of staff at the school where there is a demonstrable skill shortage –
Children of members of staff will have priority in the oversubscription criteria if the
staff member is filling a post for which there is a demonstrable skill shortage. Ark
Schools is required to approve the Principal’s designation of such posts and
confirm the assessment that a member of staff appointed meets the
requirements of the shortage. Priority will be limited to one place for each form of
entry in any year (i.e. 1 place in Reception).

c) Children who at the time of the admission have a sibling who attends the
academy. For this purpose “sibling” means a whole, half or step-brother or -
sister or an adopted child resident at the same address.

d) Children of staff in the school – Where there is no demonstrable skill shortage,
priority may be given where the academy is oversubscribed to a child of a person
who will have been employed in the academy for two or more years at the time
the application for admission is made. Priority will be limited to one place for each
form of entry in any year (i.e. 1 place in Reception).

Applications made outside the normal admission round (in-year admissions) must be made directly to the school(s) concerned. The local authority will provide an in-year application form for parents to complete; these are also available from the school.

Oversubscription Criteria
a) A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child
who is a) looked after by a local authority or b) being provided with accommodation by a local authority in their exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989. Details of eligibility must be supplied by the allocated social worker or foster carer.

b) Children for whom it is essential to be admitted to the Academy because of special circumstances to do with significant medical or social needs, which relate to the child or an immediate member of the child’s family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker or similar professional.

i The supporting evidence should set out the particular reason why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another School. This evidence must be sent to the Academy by the application closing date, for the applicant to be considered under this criterion.

c) Children who, on the date of admission, will have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step brother or sister) who will be living with them at the same address and on roll of the Academy. Children will be considered under this criterion if they have a sibling who attends the Academy and who will continue to be on roll when the child joins the Academy.

d) Children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.

e) Children living nearest the school.

Within each of these categories, priority is given to those who live nearest the academy.

Distances are calculated on the basis of a straight line measurement between the applicant’s home address and the front gates on Trittiford Road.

Note: Approval was received for Bournville Infant School and Bournville Junior School to amalgamate into one school with effect from 29 April 2019. The School is called Bournville Village Primary School.

The Office of the Schools Adjudicator has approved the change to the admission arrangements. As the admissions arrangements were approved by the The Office of the Schools Adjudicator prior to the closing date of 15 January 2019, the 90 children in Year 2 currently will automatically move into Year 3 at Bournville Village Primary School for September 2019.

The additional 6 places in Year 3 for September 2019 will be offered by the school directly following the offer of places on 16 April 2019.
Any children not on roll in Year 2 currently that are not offered a place in Year 3 place for September 2019 will have the right of appeal for a place via the normal In-Year appeals process. In Year Admissions

From 2020 onwards Year 2 children will not need to apply for a place in Year 3.

Bournville Village Primary School is a Voluntary Aided School, which has a catchment area and set criteria for entry.

Any child with an Education and Health Care Plan that names the school will be admitted. This is not an oversubscription criterion.

If the number of children applying for admission exceeds the number of places available, places will be allocated based on the following order of priority.

Oversubscription Criteria
1. Looked after or previously looked after children.
2. Children living in the catchment area who, at the time of admission, have a sibling at the school (Parents should note that Bournville Village Primary School has adopted the Local Authority’s ‘Sibling’ definition). The catchment area can be viewed at the School Office.
3. Other children living in the catchment area.
4. Children living outside the catchment area who, at the time of admission, have a sibling at Bournville Village Primary School.
5. Other children living outside the catchment area.
The school reserves the right to withdraw the offer of a place if a change in circumstances between allocation and admission would have resulted in a child not being offered a place at the time of allocation.

Distances are calculated on the basis of a straight-line measurement between the applicant's home address and the centre of the main school building. The Local Authority uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are used to plot an applicant's home address within this system. Proof of address will be required by the school.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to support the address used.

In a very small number of cases it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place, when applying the published Oversubscription Criteria. For example, this may occur when children in the same year group live at the same address, or if the distance between the home and school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the legal limit to be exceeded, the Local Authority will use a computerised system to randomly select the child to be offered the final place.

How to make an in-year application
Applications made outside the normal admission round (in-year admissions) must be made directly to the school(s) concerned. The local authority will provide an in-year application form for parents to complete; these are also available from the school.

Oversubscription Criteria
a) A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement, or special guardianship order. A looked after child is a child who is a) looked after by a local authority or b) being provided with accommodation by a local authority in their exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989. Details of eligibility must be supplied by the allocated social worker or foster carer.

b) Children for whom it is essential to be admitted to the Academy because of special circumstances to do with significant medical or social needs, which relate to the child or an immediate member of the child’s family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker or similar professional.

i The supporting evidence should set out the particular reason why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another school. This evidence must be sent to the Academy by the application closing date, for the applicant to be considered under this criterion.

c) Children who, on the date of application, have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-
brother or sister, or step brother or sister) who is living with them at the same address and on roll of the Academy.

d) Children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.

e) Children living nearest the school. Distances are calculated based on a straight-line measurement between the applicant’s home address and the school gate on Vaughton Street South. The LA uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are used to plot an applicant’s home address.

Distances are calculated on the basis of a straight line measurement between the applicant’s home address and the school gate on Vaughton Street South.

How to make an in-year application
Applications made outside the normal admission round (in-year admissions) must be made directly to the school(s) concerned. The local authority will provide an in-year application form for parents to complete; these are also available from the school.

Oversubscription Criteria
1. Children looked after by a local authority (in line with section 22 of the Children Act), and children who were previously looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order).

2. Children who have siblings in the school or nursery who will still be in attendance when the applicant enters school.

3. Nearness of the child’s home to the school as measured by a straight line measurement from the applicant’s home address to the front door of the school. The local authority uses a computerised system, which measures all distances in metres. Ordnance Survey supplies the co-ordinates that are used to plot an applicant’s home address within this system. Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to support the address used.

If offering places within any one of the criteria would cause the schools admission number to be exceeded, then children living nearest will be offered first. The local authority’s distance definition has been adopted. Distances are calculated on the basis of a straight line measurement between the applicant’s home address and the main gate of the school.
Holly Hill Infant School is the linked infant school to Reaside Academy. If applying for Holly Hill Infant School, please list any siblings at Reaside Academy on the preference form. If oversubscribed, the school will admit children under two groups. 50% of the available places will be allocated to children in Group A who are of the Christian faith. The remaining places will be allocated, without reference to faith, to children in Group B.

On this basis a maximum of 50% of the available places will be allocated to children who are members of the Christian faith.

An applicant will be eligible for consideration under Group A only where they have submitted a completed ‘Faith Supporting Evidence Form’ as part of their application. The form is available to download from the www.kingsolomonibs.com website or it can be obtained by contacting our admissions office.

If Group A is undersubscribed, the school will admit all eligible applicants.

Allocation of places if one of Group A or Group B is undersubscribed
If after the admission of children with a Statement / EHCP fewer than 50% of the remaining children qualify for admission in Group A, additional places will be offered using the criteria listed for Group B above until the PAN is reached.
If after the admission of children with a Statement / EHCP fewer than 50% of the remaining children qualify for admission in Group B then additional places will be offered to applicants who were not allocated a place under Group A. These
applicants will be considered without reference to faith in line with the oversubscription criteria in Group B until the admission numbers are met.

How to make an in-year application
Applications made outside the normal admission round (in-year admissions) must be made directly to the school(s) concerned. The local authority will provide an in-year application form for parents to complete; these are also available from the school.

Oversubscription Criteria
a) A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement, or special guardianship order. A looked after child is a child who is looked after by a local authority or b) being provided with accommodation by a local authority in their exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989. Details of eligibility must be supplied by the allocated social worker or foster carer.

b) Children for whom it is essential to be admitted to the Academy because of special circumstances to do with significant medical or social needs, which relate
to the child or an immediate member of the child’s family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker or similar professional.

i The supporting evidence should set out the particular reason why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another School. **This evidence must be sent to the Academy by the application closing date, for the applicant to be considered under this criterion.**

c) Children who, on the date of application, have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step brother or sister) who is living with them at the same address and on roll of the Academy.

d) Children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.

e) Children living nearest the school. Distance will be calculated using a straight line (as the crow flies) measurement from the child’s home ‘address point’ determined by Ordnance Survey Data to a point in the school grounds as determined by the LA, using its computerised measuring system.

**Distance**
In the event of a tie break under the distance criterion random allocation will be used, which will be undertaken by a person independent of the Academy.

How to make an in-year application
Applications made outside the normal admission round (in-year admissions) must be made directly to the school(s) concerned. The local authority will provide an in-year application form for parents to complete; these are also available from the school.

Oversubscription Criteria
1. Looked after children or previously looked after children i.e. children in foster care, care homes or who were before being adopted
2. Children with siblings in the school
3. Children of school staff fulfilling a skills shortage role
4. Home-to-school distance – meaning that the remaining places are allocated in order of each child’s proximity to the school.

- ‘Looked after children’ are (a) in the care of a local authority or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989).
‘Previously looked after children’ are children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangement order, or special guardianship order. These definitions are set nationally, by the Department for Education.

- ‘Siblings’ are defined as “children who live at the same address and either: i. Have one or both natural parents in common; or ii. Are related by a parent’s marriage; or iii. Are adopted or fostered by a common parent. Unrelated children living at the same address, whose parents are living as partners, are also considered to be siblings.” The sibling must be at the school at the point of proposed admission. Note – this definition is the one used by the Local Authority in relation to admissions to schools that they maintain - REAch2 schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers.

- This option is only available for teaching or leadership staff with a permanent contract to work at the school (and not employees in REAch2 regional or central teams); it will be subject to confirmation by an independent REAch2 regional non-executive that, on the evidence available, the post does indeed relate to a skills shortage in the area. This is compliant with the statutory School Admissions Code – in fact the code allows for a wider definition/scope for children of staff but REAch2 has chosen a more limited approach.

- ‘Home-to-school distance’ is defined/measured “on the basis of a straight line measurement between the applicant’s home address and the school’s front gate. Birmingham City Council uses a computerised system called Cartology, which measures all distances in metres. Ordnance Survey supplies the coordinates that are used to plot an applicant’s home address within this system.” ‘Home address’ is defined as the “child’s normal permanent home address. Where parents have shared responsibility for a child, and the child lives with both parents for part of the week then the main residence will be determined as the address where the child lives for the majority of the week.”.

- Note – these definitions are used by the Local Authority in relation to admissions to schools that they maintain – REAch2 schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers. The school and REAch2 as admissions authority reserve the right to carry out additional checks on the accuracy of the home address provided.

**Tie-breaker**
Where the admission number given above is reached part way through one of the above over-subscription criteria, the remaining places available are allocated on proximity to the school.

4. Children who live nearest to the school.

Exceptional Medical and Social Grounds
Children who the academy accepts have an exceptional medical or social need
for a place at one specific school. Applications will only be considered under this
category if they are supported by a written statement from a doctor, social worker
or other relevant independent professional, this must be sent to the academy.
The information must confirm the exceptional medical or social need and
demonstrate how the specified school is the only school that can meet the
defined needs of the child. This includes children in need, as determined by
Section 17(10) of the Children Act 1989. Families applying under this criterion
must send written letter of support/evidence to the Academy.

Distances are calculated on the basis of a straight line measurement between
the applicant’s home address and the Academy’s front gate.

Applications made outside the normal admission round (in-year admissions) must be made directly to the school(s) concerned. The local authority will provide an in-year application form for parents to complete; these are also available from the school.

**Oversubscription Criteria**

1. Looked after children or previously looked after children i.e. children in foster care, care homes or who were before being adopted.
2. Children with siblings in the school.
3. Children of school staff fulfilling a skills shortage role.
4. Home-to-school distance – meaning that the remaining places are allocated in order of each child’s proximity to the school.

- ‘Looked after children’ are (a) in the care of a local authority or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989). ‘Previously looked after children’ are children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangement order, or special guardianship order. These definitions are set nationally, by the Department for Education.

- ‘Siblings’ are defined as “children who live at the same address and either: i Have one or both natural parents in common; or ii. Are related by a parent’s marriage; or iii. Are adopted or fostered by a common parent. Unrelated children living at the same address, whose parents are living as partners, are also considered to be siblings.” The sibling must be at the school at the point of proposed admission. Note – this definition is the one used by the Local Authority in relation to admissions to schools that they maintain - REAch2 schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers.

- This option is only available for teaching or leadership staff with a permanent contract to work at the school (and not employees in REAch2 regional or central teams); it will be subject to confirmation by an independent REAch2 regional non-executive that, on the evidence available, the post does indeed relate to a skills shortage in the area. This is compliant with the statutory School Admissions Code – in fact the code allows for a wider definition/scope for children of staff but REAch2 has chosen a more limited approach.

- ‘Home-to-school distance’ is defined/measured “on the basis of a straight line measurement between the applicant’s home address and the school’s front gate. Birmingham City Council uses a computerised system called Cartology, which measures all distances in metres. Ordnance Survey
supplies the co-ordinates that are used to plot an applicant’s home address within this system.”. ‘Home address’ is defined as the “child’s normal permanent home address. Where parents have shared responsibility for a child, and the child lives with both parents for part of the week then the main residence will be determined as the address where the child lives for the majority of the week.”. Note – these definitions are used by the Local Authority in relation to admissions to schools that they maintain – REAch2 schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers. The school and REAch2 as admissions authority reserve the right to carry out additional checks on the accuracy of the home address provided.

Tie-breaker
Where the admission number given above is reached part way through one of the above over-subscription criteria, the remaining places available are allocated on proximity to the school.

3. Children with a sibling who is a pupil already attending The Olive School, Birmingham at the time of both application and admission (see note 3).

4. Children for whom the Governing Body accepts that they have proven, exceptionally strong special, medical or social circumstances, which are directly relevant to attendance at The Olive School, Birmingham. Parents must provide the professional supporting evidence from e.g. a consultant, doctor, psychologist, social worker or from another professional. A place will only be offered, if the Governing Body accepts the view of the professional, which confirms that the existing medical or social difficulties
will be exacerbated if admission is not offered at The Olive School, Birmingham (see note 4).

5. Remaining places will be offered as follows (see note 5):
   (a) A maximum of 15 places to children who reside in Acocks Green ward
   (b) A maximum of 15 places to children who reside in Hall Green ward

6. All other children who live nearest from home to The Olive School, Birmingham including those who were refused admission under criterion 5

Tie-breaker If criteria 1-4 and 6 are oversubscribed, then priority is given to those children who live nearest from home to school. This will include children who could not be offered admission under oversubscription criterion 5. The distance is measured in a straight line using Birmingham City Council’s computerised mapping system. This will measure distance from home to the main entrance of the school, using the co-ordinates supplied by Ordnance Survey.

If criterion 5 is oversubscribed, then priority is given to the children in accordance with the criteria set out in note 5. For all criteria, if the distance from the children’s homes to The Olive School Birmingham or Eden Boys’ School, Birmingham is the same, is the same, which includes the same geographical property reference (such as a block of flats), then random allocation is used as a tie-breaker. Birmingham City Council’s School Admissions Team will undertake the random allocation process in the presence of a school representative at the Council Offices.

Address
The address given must be where the child and parents live permanently. It must not be the child minder’s, grandparent’s or other relative’s address. If parents share custody of a child, then the Governing Body may request to see the court order, child tax credit letter, child benefit letter, medical card or other evidence to establish where the child is resident for the majority of the time during the weekdays. If there is joint custody for the child, then the address of the parents receiving the child benefit is used. Parents will be required to provide proof of permanent address.

Notes
1. A ‘looked after child’ is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their
social services functions (see the definition in section 22(1) of the Children Act 1989) at the time of making an application to a school. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders). Under the provisions of s14 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangement orders. Section 14A of the Children Act 1989 which defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

2. A child is eligible for consideration when the parents complete the section on the home Local Authority’s common application form.

3. Siblings refers to full, half, adopted, step, foster children or the child of the parents partner, and, in every case, the child must be living in the same family unit at the same address.

4. It is important that you state on the application form and if required, attach a letter, clearly setting out your reasons for requesting admission under the medical or social criteria. You must also provide written supporting evidence from a professional to Olive School. The letter from the professional must confirm that the existing medical or social difficulties will be exacerbated if admission is not offered at The Olive School, Birmingham.

**The supporting evidence from the professional must be submitted by 15th January 2019.** If the evidence from the professional is received after 15th January 2019, then the Governing Body will accept this as long as it is received by 2nd February 2019, at the very latest.

5. If the number of children requiring admission from Acocks Green and Hall Green wards is greater than 15, then priority is given to those children who live nearest from home to The Olive School, Birmingham. b) Children for whom it is essential to be admitted to the Academy because of special circumstances to do with significant medical or social needs, which relate to the child or an immediate member of the child’s family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker or similar professional.

c) Children who, on the date of admission, will have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step brother or sister) who will be living with them at the same address and on roll of the Academy. Children will be considered under this criterion if they have a sibling who attends the Academy and who will continue to be on roll when the child joins the Academy.

Within each of these categories, priority is given to those who live nearest the academy, calculated on the basis of a straight-line measurement between home and main entrance of the academy.

**Oversubscription Criteria**
1. A looked-after child and child who was looked after, but ceased to be so because they were adopted or, immediately after being looked after, became subject to a child arrangement order or special guardianship order.

2. A child (or a parent) who have exceptional medical or social needs that make it essential for a child to attend St Clement’s rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.

3. A child with a sibling already on roll at St Clement’s at the time of application and who is expected still to be in attendance at the time of entry to the school.

4. Children whose parents have made an application on denominational grounds, defined as anybody whose parent regularly attends a local Church of England Parish Church. We define regular as meaning once a month for a twelve month period and this will be confirmed by a letter from
the minister. Local means a Church within the Parish of Aston and Nechells.

5. Children whose parents have made an application on denominational grounds defined as anybody whose parent regularly attends any other Church of England Church. We define regular as meaning once a month for a twelve month period and this will be confirmed by a letter from the minister.

6. Children whose parents have made an application on denominational grounds defined as anybody whose parent regularly attends any other Christian denomination (defined as a Church who are members of Churches together in England or the Evangelical Alliance). We define regular as meaning once a month for a twelve month period and this will be confirmed by a letter from the minister.

7. All other children.

Notes
When applying under criterion 2 (exceptional medical or social needs), you must include supporting evidence to the Academy from an independent professional person who is aware of the situation and supports your reasons for preferring St Clement's. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, heath visitor, social worker, etc. who is aware of your child’s or your own case. St Clement's reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

As regards an application on denominational grounds (4, 5 or 6), in respect of a child who has moved to an address within two miles of St Clement's, and who attended a Church in the vicinity of their former address, Church attendance at their previous Church shall be counted as if it was within the category 4, 5 or 6, as applicable.

A place in the Nursery Class does not guarantee a place in the Reception Class.

If there is oversubscription within a category, the governors will give priority to those children living closest to the school determined by the shortest distance. The local authority’s ‘distance’ definition has been adopted. Distances are calculated on the basis of a straight line measurement between the applicant’s home address and the main entrance of the academy.

Applications made outside the normal admission round (in-year admissions)
must be made directly to the school(s) concerned. The local authority will provide

Oversubscription Criteria

a) Looked after or previously looked after children.

b) Children for whom it is essential to be admitted to the Academy because of special circumstances to do with significant medical or social needs, which relate to the child or an immediate member of the child’s family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker or similar professional.

I. The supporting evidence should set out the particular reasons why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another school. This evidence must be sent to the Academy by the application closing date for the child to be considered under this criterion.

c) Children who, on the date of admission, will have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step brother or sister) who will be living with them at the same address and on roll of the Academy. Children will be considered under this criterion if they have a sibling who attends the Academy and who will continue to be on roll when the child joins the Academy.

d) Children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.

e) Children living nearest to the Academy. Distances are calculated on the basis of a straight-line measurement (as the crow flies) between the applicant’s home address and the Academy front gates. The LA uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are used to plot an applicant’s home address and the address of the Academy.

Within each of these categories, priority is given to those who live nearest the academy, calculated on the basis of a straight-line measurement between home and the academy front gates.

DEFINITIONS FOR COMMUNITY SCHOOLS/VOLUNTARY CONTROLLED AND THOSE SCHOOLS THAT HAVE ADOPTED LOCAL AUTHORITY DEFINITIONS

Looked After and previously looked after children

Children who are looked after or immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order. This includes any child / young person who is subject to a Full Care Order, an interim Care Order, accommodated under Section 22(1) of the Children Act 1989, is remanded or detained into Local Authority accommodation under Criminal Law or who has been placed for adoption.

Birmingham Local Authority’s School Admissions and Fair Access Service will obtain names of all children who are looked after or will verify details for those applicants who indicate that their child was previously looked after, within the appropriate age range, from the Looked After Children Education Service (LACES). Places for these children will be considered in accordance with each school’s admission criteria.

In some instances carers will need to provide documentary evidence that their child is Looked After or Previously Looked After if this cannot be confirmed by LACES.

Siblings

Siblings (brothers or sisters) are considered to be those children who live at the same address and either:

i. have one or both natural parents in common; or
ii. are related by a parent’s marriage; or
iii. are adopted or fostered by a common parent.

Unrelated children living at the same address, whose parents are living as partners, are also considered to be siblings.

Children not adopted or fostered or related by a parents’ marriage or with one natural parent in common, who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.
Children who attend either a linked infant or junior school and will still be in attendance at the time of admission are considered as sibling claims.

Separate boys’ and girls' schools are not considered to be linked for the purposes of sibling claims.

All siblings must still be attending the preferred school at the time that admission is sought. For example for the September 2019 intake the sibling must still be attending in September 2019. Children in Year 6 are not classed as meeting the sibling criteria. **Children attending Nursery are not classed as siblings.**

**Distance measurements to schools**

Distances are calculated on the basis of a straight-line measurement between the applicant’s home address and a point decided by the school (usually the front gates). The Local Authority uses a computerised system, which measures all distances in metres. Ordnance Survey supplies the co-ordinates that are used to plot an applicant’s home address and the address of the school.

**Tie-Breaker**

In a very small number of cases where a school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place, when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the Published Admission Number for the child’s year group to be exceeded, the Local Authority will use a computerised system to randomly select the child to be offered the final place.

**Home Address**

A pupil’s home address is considered to be a residential property that is the child’s only or main residence and is either;

- Owned by the child’s parent(s), or the person with parental responsibility for the child; or

- Leased to or rented by the child’s parent(s), or the person with parental responsibility under lease or written rental agreement of not less than twelve months duration.
Evidence of ownership or rental agreement may be required, plus proof of permanent residence at the property concerned. Parents who are unable to provide proof of permanent residence should contact a member of School Admissions and Fair Access Service to discuss providing other acceptable proof of address.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to satisfy the authority that the child lives at the address put forward by the parents.

The School Admissions and Fair Access Service may also carry out unannounced home visits to confirm the applicant’s home address.

If a school is offered on the basis of an address that is subsequently found to be different from a child’s normal and permanent home address, then that place will be withdrawn.
GENERAL INFORMATION

Catholic Definition/Evidence of Baptism

DEFINITION OF A “BAPTISED CATHOLIC”
A “Baptised Catholic” is one who:

- Has been baptised into full communion (Cf. Catechism of the Catholic Church, 837) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome. Written evidence of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. Code of Canon Law, 877 & 878).
- Or
- Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the Rite of Reception took place (Cf. Rite of Christian Initiation, 399).

WRITTEN EVIDENCE OF BAPTISM
The Governing bodies of Catholic schools and Boards of Directors of Catholic Academies will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of “Baptised Catholics”. A Certificate of Baptism or Reception is to include: the full name, date of birth, date of Baptism or Reception, and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of Baptism or Reception. Those who would have difficulty obtaining written evidence of Catholic Baptism/Reception for a good reason, may still be considered as Baptised Catholics but only after they have been referred to their parish priest who, after consulting the Vicar General, will decide how the question of Baptism/Reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church. Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of Baptism/Reception due to persecution or fear, the destruction of the church and the original records, or where Baptism/Reception was administered validly but not in the Parish church where records are kept. Governors and Boards of Directors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)
Deferred Entry/ Summer Born

By law, parents must ensure that their children are receiving suitable full-time education at the beginning of the term after their 5th birthday. However, in Birmingham, children are admitted to Reception Class in the September at the start of the academic year in which they reach five years of age.

Parents may, however, defer their child’s admission to primary or infant school until later in the school year, but not beyond the beginning of the first academic term after the child’s fifth birthday (the time when the child reaches compulsory school age) and not beyond the beginning of the final term of the school year of which the offer was made. Alternatively, a parent has the right for their child to be admitted on a part-time basis during the Reception Class year but not beyond the point that they reach compulsory school age. In both cases above a school place is held for the child until they take it up.

A child who reaches the age of five during the 2019/2020 summer term would reach compulsory school age in September 2020. However, it is not possible to accept a place in the Reception Class for September 2019 but defer the child’s admission until the beginning of the 2020/2021 academic year, and if a child did not take up their place in a Reception Class in 2019/2020 a separate in-year application would need to be made for the child to enter the school in Year 1.

Parents of children who reach the age of five during the summer term of the 2019/2020 academic year who are considering deferring their child’s admission to primary or infant school until the beginning of the 2020/2021 academic year should note that, as the overwhelming majority of children in Birmingham start school at the start of the academic year in which they reach the age of five, it is likely that some or all of the parents’ preferred schools will not have vacancies in their child’s year group if they apply for a place in Year 1 (these places having been allocated to children who started school the previous year).

On very rare occasions, for example due to a child’s ill health, premature birth or children born in the summer, parents/carers may believe it to be in their child’s best interests to be admitted to Reception Class rather than Year 1, outside their child’s normal age group. These requests will be considered by the admission authority of the school(s) and a decision made on the basis of the circumstances of each case and also in the best interests of the child concerned. Parents do not have the right to insist that their child is admitted to a particular age group including reception.
Where a parent wishes to request admission out of the normal age group for their child, they should still make an application for their child’s normal age group at the usual time. At the same time, the parent should submit their request for their child to be admitted out of their normal age group to the relevant admission authority, (this is BCC for all community and voluntary controlled schools), together with supporting evidence.

Admission authorities must make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking into account the parent’s views; information about the child’s academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if were not for being born prematurely. They must also take into account the views of the head teacher of the school concerned. When informing a parent of their decision on the year group the child should be admitted to, the admission authority must set out clearly the reasons for their decision. The admission authority must ensure that the parent receives the response to their request before primary national offer day.

If the request is agreed, the application for the normal age group may be withdrawn and the parent must make a new application for a place in Reception Class as part of the main admissions round the following year. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to Year 1 for the September following the child’s fifth birthday.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

**School uniforms**

Governing Bodies are responsible for deciding whether or not pupils should wear a school uniform. Parents should contact individual schools for details of the uniform policy and any sports kits. Generally school uniforms should be available in high street shops and other retail outlets rather than from one supplier. Schools should offer arrangements so that no family feels unable to apply for admission on account of high uniform costs and details should be available from individual schools.

**Religion/Belief**
The law requires all schools without a religious character to provide religious education that fulfils the requirements of a locally agreed syllabus. For Birmingham schools this is the Birmingham Agreed Syllabus for Religious Education. Voluntary Aided Schools with a religious character normally follow a Diocesan syllabus or one agreed by the governing body.

Religious Education (RE) is intended for all pupils. However, parents have the right to withdraw their child from all part of RE. This will need careful thought and discussion and parents are encouraged to discuss with Head Teachers the Religious Education provision in the school.

All schools are also required to have collective worship for all pupils every day. This will follow a pattern agreed by the governors of the school. Collective worship is intended for all pupils. However parents also have the right to withdraw their child from collective worship.

Contributions to school funds and school trips

There is no charge or cost related to the admission of a child to a school. Many schools operate a school fund to which they ask parents to contribute small sums. Such donations are entirely voluntary. The money collected in this way is used to pay for activities or to buy equipment that is not provided from the school budget.

School trips are an important part of school life and can contribute to the ethos of the school. Schools may ask parents for a voluntary contribution towards the cost of a school trip but may not charge for a trip, which takes place in school hours or is part of the National Curriculum. Many schools offer help to those who are unable to afford the cost of school trips. Details are available from individual schools.

Military families

Birmingham Local Authority understands that families of UK Service personnel often have to move at short notice within the UK and from abroad. If we receive an 'Application for a Change of School' form along with an official letter from the MOD, FCO or GCHQ stating a relocation date, then we will be able to arrange a school place in advance of the relocation. Please contact the Children's Advice and Support Service on 0121 303 1888 for further advice.
